12. What, if anything, worked well for you in discussion section?

The utilization of group presentations was incredibly beneficial in allowing students to lead the class & gain experience teaching & facilitating.

13. Comment briefly on how discussion section deepened your understanding of course content:

This course, & particularly this discussion section, challenged me to think beyond the ways I had previously thought regarding unjust systems in the American education system, & introduced me to content that will benefit me as an instructor.

14. Comment on Ionah's ability to lead discussion:

Ionah's passion for content in this class drove the class, & made the class more engaging. She cares deeply for her students & has challenged me to think more critically about education.

15. What, if anything, could Ionah do to improve discussion for Spring 2020?

I sometimes struggled reading Ionah's comments on my papers & work on the board.

Thank you for everything, Ionah! You inspire me to be a better activist, student, educator, & person.

This evaluation will go in a sealed envelope and will be returned by a Student in the EDU 310 Course to Maryann Barker in Huntington Hall Room 350 in the Cultural Foundations of Education Department
